

SOURCING

CHINESE FACTORIES AT YOUR DOORSTEP

How can I assess the quality of a product or service?

How can I find trustworthy suppliers and conduct business in another culture and language?

Leveraging a deep **network of 500+ trusted manufacturers**, DTL SOURCING provide companies across the world with a trustworthy channel into China for their sourcing needs **since 2008**. We have **partnered with 100+ companies** from Europe, America and the Asia Pacific to help them access the vast products being produced in China. We have serviced over **800+ sourcing orders**.

FROM THE IDEA TO THE FINAL PRODUCT

REQUEST PROCESSING

Our expert professionals ask the right questions to evaluate your needs and to find the most suitable products. DTL Sourcing's assessment experience allows us to target the appropriate manufacturers.

SAMPLE PRODUCTION

Under your instruction, we arrange a sample product from the most well-respected and cost-effective supplier. The sample will then be express delivered to you for validation.

BULK PRODUCTION

Once confirmed, bulk production of your order will be completed at a fast turnaround. DTL Sourcing will ensure that the finished products follow the exact standards agreed upon.

QUALITY CHECK & DELIVERY

Before delivery, the finished products pass stringent quality control. DTL Sourcing is with you every step of the way. We keep you updated on the process & delivery date, in phase with your planning.
